

Please allow us to take a few minutes of your time to introduce ourselves. We are a designated Not-for-profit fraternal organization know as the “**Regional Streeters of Indiana Car Club**”. Our mission is to educate, entertain, and promote interest in automobiles. We also ‘give back’ to the community by supporting charities and individuals in need throughout Northwest Indiana. A complete list of those that we support may be viewed on our web site:

The Regional Streeters hosts one of the areas largest car shows and we are inviting you to participate. This year’s show will be held on **Saturday, June 1, and Sunday, June 2, 2013**, at the Lake County Fair Grounds in Crown Point. Our past show events have had an average that exceeded 450 show cars and over 4,500 spectators in attendance. Show sponsors, such as yourself, help defray the costs of putting on this show and allow us to provide door prizes and special Give-a-Ways for our participants.

Please insure this year’s car show is a success by committing to a sponsorship. Car show sponsorships are available as follows:
